

Troop 695 Base Camp Archery Event

Tuesday, March 15th

Description

Our regular troop meeting on March 15th will be replaced with a special 'Base Camp Archery Event'. Base Camp is the Northern Star Council's newest outreach program facility.

For this event, we will group scouts into three different time slots. Scouts will be grouped by patrol/age range, with each group also having one or two older scouts to function as a group leader. Each group will have a brief half-hour 'meeting time' and an hour on the archery range.

Group 1	6:00 pm to 7:30 pm	6:00 to 7:00 on the range, 7:00 to 7:30 meeting
Group 2	6:30 pm to 8:00 pm	6:30 to 7:00 meeting, 7:00 to 8:00 on the range
Group 3	7:30 pm to 9:00 pm	7:30 to 8:00 meeting, 8:00 to 9:00 on the range

Sign Up

To sign up for this event, either use the signup sheet available at the March 8th troop meeting or contact Tom Gunderson (tomg@gundersonsoftware.com or 952-412-5336) by Sunday March 13th.

To participate in this event, you MUST have a signed 'Permission to Participate in Shooting Sports' form on file with the troop.

A listing of scouts attending, with assigned group information, will be emailed on Sunday March 13th, and 'group leaders' will be calling each scout in their group.

Getting There

BSA policies ***DO NOT*** allow 'caravanning' to events; however we do encourage 'carpooling'!

Each scout will be responsible for getting to the meeting on their own or with arranged carpooling.

Directions to base camp are available on the web site www.explorebasecamp.org

Please DO NOT bring your own archery equipment with you. All archery equipment will be provided.
