

2011 Many Point Adult Volunteer Roles

While Many Point is a fantastic opportunity for the scouts to earn merit badges, work as a unit and have a great week long camping event, it does require the commitment of adult leaders and parents to ensure that everything runs smoothly – before, during and after the campout.

We need advance help as well as support during the campout to make this year’s program a success. If you’re planning on attending camp, please consider the following:

Role	Description	Volunteer(s)
Trailer Hauler	One adult needed planning to drive to Many Point that can haul the Troop trailer up and back. Gas compensation by the troop.	Doug McKenney
Check-In Manager	One adult needed to arrive prior to the scouts and check the Troop submitting meal forms, camp roster as well as advancement sheets for scouts (all forms will be completed prior to leaving). May involve transport of older scouts to advance the camp site.	Trudy Gunderson
Bus Chaperones	Three adults needed to ride the bus to camp, and three adults needed to ride the bus home.	
Camp Pharma	One adult leader needed to manage and distribute prescription medication as needed. This can be split by two people if needed.	
Blue Card Manager	One adult needed to manage the signing of the blue cards during camp and to bring those cards back for scoutmaster signature and filing.	Tom Gunderson
Patch Manager	One adult needed on the last day of camp to bring back the 2010 Many Point and segment patches.	
Check-Out Manager	One adult needed to check out the Troop from Many Point, providing Troop payment check for activities and returning with camp paperwork.	

Every position needs to be filled without exception. If you have a preferred assignment, please email or call Tom or Trudy Gunderson.
